

# Propolis Platinum<sup>TM</sup>

## Nature's Gift to Mankind

Propolis Platinum is a non-alcoholic liquid propolis from Brazil which is renowned for producing green propolis. Collected by bees from the unpolluted Brazilian tropical rainforest, propolis is a natural resin produced by bees to strengthen and protect their hives. Scientific research has shown that regular use of propolis helps to strengthen the body's health system and therefore is beneficial for the maintenance of our general well-being.

### Functions of Propolis Platinum

Propolis Platinum have high quality antioxidant properties.

**Brazilian Propolis**  
(Supercritical Field  
CO<sub>2</sub> Extraction)

# Propolis Platinum™

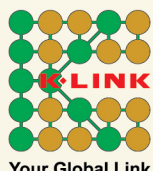

## **Supercritical Field CO<sub>2</sub> Extraction**

The liquid form of propolis is absorbed faster by our body to experience the benefits of propolis. Propolis Platinum is manufactured with advanced Supercritical Field CO<sub>2</sub> Extraction in order to maintain its original content that is good for human health.

## **Why is it important to consume Propolis Platinum daily?**

1. In our daily lives we come into contact with other people and the polluted environment.
2. Propolis Platinum functions to strengthen the body health system.
3. Due to its antioxidant properties, regular use of Propolis Platinum can help strengthen the body.
