ANTI-AGING

Restore Youth

NCell

Keep your cell young with **NCell**, your premium science-backed anti-aging source. **NCell** is formulated with broccoli extract (precursor to NAD+), *PhytoCellTec* stem cells, grape seed extract, and *Davos'Life E3* Mixed with Tocotrienol-tocopherol (super Vitamin E) that work synergistically.

NAD+ is the most important fuel for our cells. As we age, NAD+ levels go down and caused age-related symptoms. **NCell** helps to increase NAD+ to slow down aging.

NCell supports anti-aging through **3 science-backed mechanisms**:

BENEFITS

- Support Healthy Aging
- Enhance Energy
- Boost metabolism
- Boost Immune System
- Support Healthy Skin
- Support Memory

1

CELL RENEWAL

NCell promotes cell renewal with broccoli extract and *PhytoCellTec* stem cells. Studies have shown that grape stem cells promote the growth of new cells. Its high antioxidant properties protect cell from free radical damage, delay cell aging and prolong cell vitality. On the other hand, apple stem cell promotes rejuvenation and ensures the cells' longevity, especially the skin cells.

2

DNA PROTECTION (Telomere extension)

NCell promotes telomere extension with broccoli extract and *Davos'Life E3* Mixed Tocotrienol-tocopherol. As we age, the length of the telomere reduces. When it is too short, the cells are unable to replicate anymore. Increasing telomere length help to stabilize telomere and prevents tissue damage. *Davos'Life E3* Mixed Tocotrienol-tocopherol acts as powerful antioxidant that can help in prolonging telomere length.

3

CELLULAR ANTIOXIDANT

NCell promotes cellular antioxidant activity with broccoli extract and grape seed extract. The grape seed extract is one of the most powerful plant-derived antioxidant foods that neutralize free radicals by suppressing oxidative stress in our cells.

Long-term use of **NCell** promotes numerous benefits, including **promoting cellular health, improving metabolism, increasing vitality, and alleviating various health problems.**

-  Grape flavor.
-  Convenient sachet.
-  Vegetarian friendly.
-  Suitable for individuals who lead a hectic lifestyle

SERVING SUGGESTION

Tear open the sachet and direct consume, 1-2 sachet(s) daily.

STORAGE

Store in a dry place below 30°C. Keep away from light and moisture.
