Natural Ingredients Benefits:

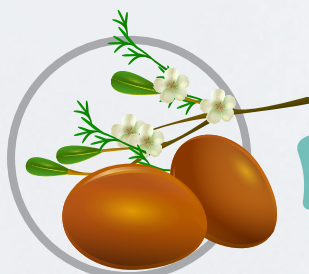

Rosa Damascena Flower Water

It has antibacterial, antioxidant, and anti-inflammatory properties, thus helping soothe skin, minimize pores, and reduce fine lines.

Argan Oil

Has anti-sebum effects, which can effectively regulate amounts of sebum on the skin. It can help to smooth and calmer complexion.

Jojoba Oil

Hydrates the skin, balances natural oil production, delivers antioxidant protection, has anti-inflammatory effects, may have some antibacterial properties, and can also help reduce acne.

Olive Oil

Rich in vitamins and antioxidants, and has improved skin moisturization, anti-aging effects, and relief from sun damage.

Plants Extract

A powerful antioxidant and inflammatory agent for the skin. It allowing to protect the skin from free radical damage and reduce the effects associated with the aging process such as wrinkles and fine lines.

Dry skin condition is due to lack of moisture in the skin. The symptoms are tight skin, dry peelings, and itchy skin. Age, climate change, lack of sleep, excessive fatigue, bath water temperature, and strong alkaline products causes dry skin. Consistent daily skin care maintenance, proper diet, high water intake, and adequate sleep will help to improve skin texture over time.

K-eCream is a unique formulation cream infused with Rose Water, Vitamin E, and plant extracts to provide skin smoother complexion. It is non-greasy and instantly penetrates and rejuvenates your skin, making it softer, smoother, and moisturized. **K-eCream** contains a rose fragrance that gives a good aroma all day long. Suitable for all skin types.

The Direction Of Use:

Apply directly on the face, hands, or body twice a day. Rub gently until the cream is fully absorbed
